

EMIHS 5-minute Lineup Drill

CASEY HOUSE – Montgomery Hospice

WHAT: A new option for assisting patients with palliative care

WHY: Patients and families sometimes call 911 out of desperation or anxiety

WHO: DNR-B patients *already enrolled in Montgomery Hospice* (look for sticker on their hospital bed like the background image)

240-620-9411 **6001 Muncaster Mill Rd**

When you identify a DNR-B Montgomery Hospice patient, call the number above and collaborate with Hospice Staff

Possible outcomes include:

- Transport directly to the Casey House from anywhere in the county
- Telehealth visit with Hospice Staff – they will facilitate
- Scheduling of a Hospice Visit in the home
- Transport to the ED (unlikely)

Goal: Match the care provided to the patient's needs
